## 1. DAYDREAM BELIEVER – THE MONKEES

Oh, I could hide 'neath the wings  
Of the bluebird as she sings.  
The six o'clock alarm would never ring.  
But six rings and I rise,  
Wipe the sleep out of my eyes.  
My shavin' razor's cold and it stings.

Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.

You once thought of me  
As a white knight on a steed.  
Now you know how happy I can be.  
Oh, and our good times starts and end  
Without dollar one to spend.  
But how much, baby, do we really need.

Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.  
Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.

*[Instrumental interlude]*

Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen

## 2. HEY JUDE – THE BEATLES

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her into your heart  
Then you can start to make it better

Hey Jude, don't be afraid  
You were made to go out and get her  
The minute you let her under your skin  
Then you begin to make it better

And anytime you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulders  
For well you know that it's a fool who plays it cool  
By making his world a little colder  
Na na na na na, na na na na...

Hey Jude, don't let me down  
You have found her, now go and get her  
Remember to let her into your heart  
Then you can start to make it better

So let it out and let it in, hey Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you, hey Jude, you'll do  
The movement you need is on your shoulder  
Na na na na na, na na na na...

Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her under your skin  
Then you'll begin to make it  
Better, better, better, better, better, better, oh!

Na na na na-na na na, na-na na na, hey Jude...

### 3. I WILL SURVIVE – GLORIA GAYNOR

At first I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights thinking how you did me wrong  
And I grew strong - and I learned how to get along  
And so you're back, from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I had known for just one second you'd be back to bother me

Go on now go! Walk out the door!  
Just turn around now, 'cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?  
Oh no, not I - I will survive!  
Oh as long as I know how to love I know I'll stay alive  
I've got all my life to live and I've got all my love to give  
And I'll survive - I will survive (hey-hey)

*[INSTRUMENTAL]*

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken heart  
And I spent oh so many nights just feeling sorry for myself  
I used to cry - but now I hold my head up high  
And you see me, somebody new  
I'm not that chained up little person still in love with you  
And so you felt like dropping in and just expect me to be free  
And now I'm saving all my loving for someone who's loving me

Go on now go! Walk out the door!  
Just turn around now, 'cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?  
Oh no, not I - I will survive!  
Oh as long as I know how to love, I know I'll stay alive  
I've got all my life to live and I've got all my love to give

And I'll survive  
I will survive... ohh...

Go on now go! Walk out the door!  
Just turn around now, 'cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?  
Oh no, not I - I will survive!  
Oh as long as I know how to love, I know I'll stay alive  
I've got all my life to live and I've got all my love to give  
And I'll survive  
I will survive  
I will survive!

#### **4. LEAN ON ME – BILL WITHERS**

Sometimes in our lives  
We all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

Call me (if you need a friend)  
Call me (call me)  
Call me (if you need a friend)  
Call me (if you ever need a friend)  
Call me (call me)  
Call me  
Call me

## **5. LET IT GO – IDINA MENZEL**

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation, and it looks like I'm the Queen  
The wind is howling like this swirling storm inside  
Couldn't keep it in; Heaven knows I tried

Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, don't let them know  
Well now they know

Let it go, let it go - can't hold it back any more  
Let it go, let it go - turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway

It's funny how some distance makes everything seem small  
And the fears that once controlled me can't get to me at all

It's time to see what I can do  
To test the limits and break through

No right, no wrong, no rules for me, I'm free!

Let it go, let it go - I am one with the wind and sky  
Let it go, let it go - you'll never see me cry  
Here I stand and here I'll stay  
Let the storm rage on

My power flurries through the air into the ground  
My soul is spiralling in frozen fractals all around  
And one thought crystallizes like an icy blast  
I'm never going back, the past is in the past

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect girl is gone  
Here I stand in the light of day  
Let the storm rage on  
The cold never bothered me anyway

## **6. OOM PAH PAH – OLIVER!**

There's a little ditty they're singin' in the city  
Especially when they've been on the gin or the beer  
If you've got the patience your own imaginations  
Will tell you just exactly what you want to hear

Oom pah pah, oom pah pah, that's how it goes  
Oom pah pah, oom pah pah, everyone knows  
And they all suppose what they want to suppose  
When they hear oom pah pah

Mr. Percy Snodgrass would often have the odd glass  
But never when he thought anybody could see  
Secretly he'd buy it, and drink it on the quiet  
And dream he was an Earl with a girl on his knee

Oom pah pah, oom pah pah, that's how it goes

Oom pah pah, oom pah pah, everyone knows  
What is the cause of his red shiny nose?  
Could it be oom pah pah?

Pretty little Sally goes walking down the alley  
Displays her pretty ankles to all of the men  
They could see her garters, but not for free and gratis  
An inch or two and then she knows when to say when

Oom pah pah, oom pah pah, that's how it goes  
Oom pah pah, oom pah pah, everyone knows  
Whether its hidden or whether it shows  
It's the same oom pah pah

She was from the country, but now she's up a gumtree  
She let a fellow beat her, and lead her along  
What's the use of cryin', she made her bed to lie in  
She's glad to bring a coin in, and join in this song  
Oom pah pah, oom pah pah, that's how it goes  
Oom pah pah, oom pah pah, everyone knows  
She is no longer the same blushing rose  
Ever since oom pah pah

Oom pah pah, oom pah pah, that's how it goes  
Oom pah pah, oom pah pah, everyone knows  
And they all suppose what they want to suppose  
When they hear oom pah pah

## **7. STAND BY ME – BEN E. KING**

When the night has come, and the land is dark  
And the moon is the only light we'll see  
No, I won't be afraid, oh, I won't be afraid  
Just as long as you stand, stand by me

So darlin', darlin' stand by me  
Oh stand by me  
Oh stand, stand by me, stand by me

If the sky that we look upon should tumble and fall  
Or the mountain should crumble to the sea  
I won't cry, I won't cry, no, I won't shed a tear  
Just as long as you stand, stand by me

And darlin', darlin' stand by me  
Oh stand by me  
Whoa stand now, stand by me, stand by me

*\*Solo\**

And darlin', darlin' stand by me  
Oh stand by me  
Oh stand now, stand by me, stand by me

Whenever you're in trouble won't you stand by me  
Oh stand by me  
Whoa stand now, oh stand, stand by me...

## **8. SWEET CAROLINE – NEIL DIAMOND**

Where it began  
I can't begin to knowin'  
But then I know it's growing strong  
Was in the spring  
And spring became the summer  
Who'd have believed you'd come along

Hands, touching hands  
Reaching out  
Touching me  
Touching you

Sweet Caroline  
Good times never seemed so good

I've been inclined  
To believe they never would

But now I

Look at the night  
And it don't seem so lonely  
We fill it up with only two

And when I hurt  
Hurting runs off my shoulders  
How can I hurt when I'm with you

Warm, touching warm  
Reaching out  
Touching me  
Touching you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
Oh, no, no

*[INSTRUMENTAL]*

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
I believed they never could  
Sweet Caroline

## 9. THE SOUND OF MUSIC MEDLEY

Let's start at the very beginning  
A very good place to start  
When you read you begin with A-be-see  
When you sing you begin with do-re-mi  
Do-re-mi, do-re-mi  
The first three notes just happen to be  
Do-re-mi, do-re-mi  
Do-re-mi-fa-so-la-ti

Doe, a deer, a female deer  
Ray, a drop of golden sun  
Me, a name I call myself  
Far, a long, long way to run  
Sew, a needle pulling thread  
La, a note to follow Sew  
Tea, a drink with jam and bread  
That will bring us back to Do (oh-oh-oh)

Edelweiss, edelweiss  
Ev'ry morning you greet me  
Small and white  
Clean and bright  
You look happy to meet me

Blossom of snow  
May you bloom and grow  
Bloom and grow forever  
Edelweiss, edelweiss  
Bless my homeland forever

Raindrops on roses and whiskers on kittens,  
Bright copper kettles and warm woollen mittens,  
Brown paper packages tied up with strings...  
These are a few of my favourite things

Cream-colored ponies and crisp apple strudels,  
Doorbells and sleigh bells and schnitzel with noodles,

Wild geese that fly with the moon on their wings...  
These are a few of my favourite things

Girls in white dresses with blue satin sashes,  
Snowflakes that stay on my nose and eyelashes,  
Silver white winters that melt into springs  
These are a few of my favourite things.

When the dog bites  
When the bee stings  
When I'm feeling sad...  
I simply remember my favourite things  
And then I don't feel so bad

## **10. YOU'LL NEVER WALK ALONE**

When you walk through a storm,  
Hold your head up high,  
And don't be afraid of the dark.  
At the end of a storm,  
There's a golden sky,  
And a sweet silver song of a lark.

Walk on through the wind,  
Walk on through the rain,  
Though your dreams be tossed and blown...

Walk On! Walk On! With hope in your heart,  
And you'll never walk alone...

You'll never walk alone

Walk On! Walk On! With hope in your heart,  
And you'll never walk alone...

You'll never walk alone

## 11. YOU'VE GOT A FRIEND – CAROLE KING

When you're down and troubled  
And you need some love and care  
And nothin', nothin' is goin' right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you know wherever I am  
I'll come runnin' to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that ol' north wind begins to blow  
Keep your head together  
And call my name out loud  
Soon you'll hear me knockin' at your door

You just call out my name  
And you know wherever I am  
I'll come runnin' to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there

Ain't it good to know that you've got a friend  
When people can be so cold  
They'll hurt you, yes, and desert you  
And take your soul if you let them  
Oh, but don't you let them

You just call out my name

And you know wherever I am  
I'll come runnin' to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend
